Thanks, Jose. Can you please add Rob Parker from Region 8 to the invitation, as he is a member of the pits work group?

Thanks,
Howard

Yes!

Let's do 12:00 MT (2:00ET) for one hour so we're done in time for the 3:30.

Mike – shall we VTC? Can you remind me of the location?

Jose,

We can work the schedule here once you have a time for the meeting. Howard has several meetings during that time span on Wed, but we will work it out.

Mike,

Shaun's attendance at this meeting is not mandatory, though mine is. Martin and Greg Oberley also should attend.

Thanks,
Howard

Jose,

Shaun has events scheduled the entire period you are looking at, so I would suggest you schedule the meeting and I will adjust his schedule to fit that period.

Jose,

I am showing on Shaun's calendar a Senior Policy meeting on Wed scheduled for 3:30 to 5:00 ET already – is this what you need?

Hi Howard. Linda's email bounced –do I have the right person in R8 for scheduling?

Sorry to bother you.

Greetings.

I believe there's a senior policy meeting Wednesday that we're trying to avoid. So, possibilities are 2:30pm and 5pm (?) ET for a one hour conference call and/or VTC between R8, HQ, Ada,

and Cincinnati.

This meeting must take place Wed afternoon.

Thoughts?
